Auxiliary aids and services available upon request to individuals with disabilities: TTY 800-582-2233

Introduction

The data in this publication are designed to be used by employers in the preparation of Affirmative Action plans. Because the breakouts by gender and ethnic group are based on sample data from the U.S. Census Bureau's American Community Survey Program, the data are not statistically reliable enough for any other usage.

The following items are included:

Estimated Labor Force Data for Affirmative Action: This data set represents 2022 annual averages for civilian labor force, total unemployed, unemployment rate and total employed. Breakouts for gender and ethnic group were derived by applying ratios from the 2021 American Community Survey (ACS) 5-year estimate data to the annual average figures. Distributions for Black, White, Other Race and Hispanic categories are provided. However, it should be noted that these were derived from ACS sample data and not from a total count. Because of the ACS sampling procedure some areas may show estimates of employed and/or unemployed equal to zero. This most often occurs in breakouts for Hispanic and Other

Race categories. As a rule, any such areas should be treated as statistically suspect. A percent distribution table is also provided for labor force, unemployed and employed as an additional aid for completing Affirmative Action reports.

Estimated Population by Gender and Ethnic Group: Race and gender breakouts were derived from the U.S. Census Bureau's 2022 Population Estimates. Tables showing both TOTAL population and WORKING AGE population are provided.

Occupations by Gender and Ethnic Group: In the past, the Labor Market Information Department (LMI) has provided employers with additional breakouts of occupations by gender and ethnic group from the latest census. These data sets are no longer available from the LMI Department. However, these may now be found at the census web site (www.census.gov) by searching for Census EEO Tables. For additional information or assistance, contact the Labor Market Information Department at 601-321-6261 or Imi-info@mdes.ms.gov.
