

The Mississippi Department of Employment Security appreciates the interest you have shown in the Request for Proposal for HVAC Services (RFP 16-01). In response to questions received by vendors concerning RFP 16-01, we submit the following consolidated questions and answers.

1. Regarding the request for proposal No. 16-01, we have a question on Page 7 of 13 under insurance coverage. Does this preventive maintenance proposal need to include Professional Liability insurance coverage?
 - A. This was an oversight in the request for proposals. The requirement should be comprehensive general liability **or** professional liability insurance. An addendum correcting the oversight is located at:
