- 3.4** Acknowledgement of Amendments: Should an amendment to the IFB be issued, it will be posted on the Mississippi Contract/Procurement Opportunity Search Portal website and the agency's website in a manner that all bidders will be able to view. Section 4 – Scope of Work

MDES received funding from the Disaster Recovery National Dislocated Worker Grant (DWG) to help communities respond to the opioid crisis declared by the Department of Health and Human Services. The DWG will create temporary employment opportunities aimed at alleviating humanitarian and other needs created by the opioid crisis.

The project will train and employ eligible participants, post-secondary education students, and professionals in alternative pain therapy, mental health, rehabilitative counseling, addictive treatment, and public health occupations. MDES partnered with six (6) universities in Mississippi. Jackson State University (JSU) will serve as the lead for this program with the University of Mississippi, University of Southern Mississippi, Alcorn State University, Mississippi Valley State University, and Delta State University serving as subgrantees under the direction of JSU.

The program aims to address the opioid crisis by increasing the number of professionals in the areas of public health, mental health, pain management, clinical mental health, rehabilitation counseling, and addictive treatment and other related fields in the communities most affected by opioid. The Contractor will place post-secondary educational students and professionals meeting the qualifications for dislocated workers, unemployed, underemployed, self-employed, and

displaced homemakers in fieldwork locations for training in occupations impacted by the opioid crisis. Placements by the Contractor will be in mental and public health clinics, sheriff departments, police departments, drug courts, and nonprofit community centers across Mississippi including public health, addiction treatment and related services, pain therapy, and pain management services.

MDES anticipates placement of eligible students at the Bachelor's and Master's level with pay rates of \$16/hour and \$26/hour, respectively. The Contractor will submit a percentage markup above these base rates. Further, MDES expects around three hundred ninety-seven (397) eligible students over a two (2) year period.

Section 5 - Basis for Award

5.1 All bids will be reviewed first to determine whether a vendor is responsive, responsible, and/or acceptable. Requirements to be considered responsive, responsible, and/or acceptable are not assigned a point percentage and/or score, but are instead recorded as PASS or FAIL. Bids with errors that do not alter the substance of the bid can be accepted, and the Agency Chief Procurement Officer may allow the bidder to correct the problem prior to review as long as the irregularities are insignificant mistakes that can be waived or corrected without prejudice to other bidders.

5.2 The agency has the right to waive minor defects or variations of a bid from the exact requirements of the specifications that do not affect the price, quality, quantity, delivery, or performance time of the services being procured. If insufficient information is submitted by a bidder with the bid for the agency to properly evaluate the bid, the agency has the right to require such additional information as it may deem necessary after the time set for receipt of bids, provided that the information requested does not change the price, quality, quantity, delivery, or performance time of the services being procured.

5.3 All bids which are determined to be responsive, responsible, and/or acceptable will continue on to the price bid or cost evaluation. The lowest cost bid will receive the maximum 100 points allocated to cost. The point allocations for cost on the other bids will be evaluated according to the following formula: Price of the lowest responsive and responsible bid divided by the price of the responsive and responsible bid being rated times the maximum 100 points allocated for cost equal the awarded points.

5.4 The agency intends to award one (1) contract to provide the services described in this IFB to the lowest responsible and responsive bidder.

Section 6 – Minimum Bidder Qualifications to be Considered Responsive, Responsible, and/or Acceptable

The vendor must have:

6.1 Prior Experience: Contractor must have been in business and provided temporary staffing services for a minimum of five (5) years. Bid must include samples, descriptions, examples, and/or some other documentation to validate prior experience.

6.2 Registered to Conduct Business in Mississippi: The Vendor must be registered with the Mississippi Secretary of State and include its certificate with the submitted bid. If not already registered, the bidder must acknowledge it will become registered within seven (7) business days of being offered the contract. Sole proprietors are not required to register with the Mississippi Secretary of State.

6.3 Financial Stability or Solvency: Contractor must be financially stable or solvent. The bid must include copies of the last two (2) years financial statements or financial documentation. If financial statements do not exist, the vendor must state the reason and, instead submit sufficient information to enable MDES to assess the financial stability or solvency of the vendor, such as financial statements, credit ratings, a line of credit, or other financial arrangements sufficient to enable the vendor to be capable of meeting the requirements of this IFB.

6.4 Methodology: Contractor must include a detailed narrative explaining how the vendor will perform the required duties of this contract. The narrative should describe the vendor's plans and methods to ensure successful project results.

6.5 References: A minimum score of four (4) on the Reference Score Sheet (Attachment D) from reference interviews by agency staff with two (2) bidder references (for a total minimum scoring requirement of eight (8) points), as well as all other requirements of this IFB. See Section 8.1.3 for more details.

Section 7 – Duration

The estimated period of performance the contract resulting from this IFB is scheduled to begin on July 1, 2023, and end on June 30, 2026. The agency reserves the right to renew the contract for up to two (2) additional years at the sole discretion of the Agency.

Section 8 – Bid Submission Format and Requirements

8.1 Submission Format

8.1.1 Bid Cover Sheet (Attachment A)

8.1.2 Bid Form (Attachment B) - all pricing must be submitted on the bid form. Failure to complete and/or sign the bid form may result in bidder being determined nonresponsive.

8.1.3 References (Attachment C) - each bidder must furnish a listing of **at least** three (3) references along with the contact person, address, and phone number for each. These references must be familiar with the bidder's abilities in the areas involved with this

solicitation. Agency staff will use these references to determine the bidder's ability to perform the services. It is the responsibility of the bidder to ensure that the reference contact information is correct and current. Agency staff will not track down references. Bidders should verify before submitting their bid that the contact person and phone number are correct for each reference. **Agency staff must be able to reach two (2) references for a bidder within seven (7) business days of bid opening to be considered responsive. Further, the bidder must score a minimum of four (4) points on each Reference Score Sheet which will be used by the agency staff when interviewing the two (2) references (for a total minimum scoring requirement of eight (8) points) to be considered responsive and/or responsible.** (See **Section 6** and **Attachments C and D.**) Only bidders who are found responsive and/or responsible will have their bids considered. Bidder may submit as many references as desired but no less than three (3). Agency staff will begin contacting references at the top of the list and will continue down the list until they have completed Reference Score Sheets for two (2) references. After two (2) score sheets are completed, the reference check process will end.

8.2 Submission Requirements

- 8.2.1** The signed original bid package plus four (4) copies of the signed original bid package must be submitted in a sealed envelope or package no later than the time and date specified for receipt of bids.
- 8.2.2** The sealed envelope or package shall be marked with the bid opening date and time as instructed in 8.2.3. Bids are subject to rejection unless submitted with the information included on the outside the sealed bid envelope or package.

SEALED BID – DO NOT OPEN

- 8.2.4** All bid packages must be received by the agency no later than March 15, 2023, at 4:00 PM CDT. Bids submitted via facsimile (fax) machine **will not** be accepted. It is suggested that if a bid is mailed to the agency, it should be posted in certified mail with a return receipt requested. The agency will not be responsible for mail delays or lost mail. All risk of late arrival due to unanticipated delay – whether delivered by hand, U.S. Postal Service, courier or other delivery service or method

– is entirely on the vendor. All vendors are urged to take the possibility of delay into account when submitting a bid.

- 8.2.5** Timely submission of the bid package is the responsibility of the bidder. Bids received after the specified time will be rejected and maintained unopened in the procurement file. A bid received at the place designated in the solicitation for receipt of bids after the exact time specified for receipt will not be considered unless it has been determined by the agency that the late receipt was due solely to mishandling by the agency after receipt at the specified address.
- 8.2.6** The time and date of receipt will be indicated on the sealed bid envelope or package by agency staff. The only acceptable evidence to establish the time of receipt at the office identified for bid opening is the time and date stamp of that office on the bid wrapper or other documentary evidence of receipt used by that office.
- 8.2.7** Each page of the bid form and all attachments shall be identified with the name of the bidder.
- 8.2.8** Failure to submit a bid on the bid form provided will be considered cause for rejection of the bid. **Modifications or additions to any portion of the bid document may be cause for rejection of the bid.** The agency reserves the right to decide, on a case-by-case basis, whether to reject a bid with modifications or additions as non-responsive.
- 8.2.9** A bid response that includes terms and conditions that do not conform to the terms and conditions in the bid document is subject to rejection as non-responsive. The agency reserves the right to permit the bidder to withdraw nonconforming terms and conditions from its bid response prior to a determination by the agency of non-responsiveness based on the submission of nonconforming terms and conditions.
- 8.2.10** As a precondition to bid acceptance, the agency may request the bidder to withdraw or modify those portions of the bid deemed non-responsive that do not affect quality, quantity, price, or delivery of the service.
- 8.2.11** Any bidder claiming that its response contains information exempt from the Mississippi Public Records Act (Miss. Code Ann. §§ 25-61-1 *et seq.* and 79-23-1), shall segregate and mark the information as confidential and provide the specific statutory authority for the exemption.

Section 9 – Bidder Certification

The bidder agrees that submission of a signed bid form is certification that the bidder will accept an award made to it as a result of the submission.

Section 10 – Debarment

By submitting a bid, the bidder certifies that it is not currently debarred from submitting bids for contracts issued by any political subdivision or agency of the State of Mississippi and that it is not an agent of a person or entity that is currently debarred from submitting bids for contracts issued by any political subdivision or agency of the State of Mississippi.

Section 11 – Registration with Mississippi Secretary of State

By submitting a bid, the bidder certifies that it is registered to do business in the State of Mississippi as prescribed by Mississippi law and the Mississippi Secretary of State or, if not already registered, that it will do so within seven (7) business days of being notified by the agency that it has been selected for contract award. This is also a requirement for the bid to be considered responsive, responsible, and/or acceptable as mentioned in Section 6.1.

Section 12 – Insurance, Bonds, or Other Sureties

- 12.1** The successful contractor shall maintain at least the minimum level of workers' compensation insurance, comprehensive general liability or professional liability insurance, with minimum limits of \$1,000,000.00 per occurrence and fidelity bond insurance with minimum limits of \$100,000.00. All workers' compensation, comprehensive general liability, professional liability, or fidelity bond insurance will provide coverage to MDES as an additional insured. The agency reserves the right to request from carriers, certificates of insurance regarding the required coverage. All insurance policies shall be issued by companies authorized to do business under the laws of the State of Mississippi, meaning insurance carriers must be licensed or hold a Certificate of Authority from the Mississippi Department of Insurance.
- 12.2** If not already included in its bid submission, Contractor shall submit to Agency within seven (7) days of notification of intent to award, a certificate of insurance and/or bond which outlines the coverage and limits defined in the procurement and contract. There are no provisions for exceptions to this requirement. Failure to provide the certificates of insurance within seven (7) day period may be cause for your bid to be declared non-responsive or for your contract to be cancelled.
- 12.3** The contractor shall be prepared to provide evidence of required insurance upon request by MDES at any point during the contract period and should consult with legal counsel regarding its obligations.
- 12.4** Contractor shall obtain at Contractor's expense the insurance requirements specified in the procurement and contract prior to performing under this Contract, and Contractor shall maintain the required insurance and throughout the duration of this Contract. There are no provisions for exceptions to this requirement.

- 12.5** Contractor shall not commence work under this contract until it obtains all insurance and/or bond required under this provision and furnishes a certificate or other form showing proof of current coverage to the State. After work commences, the Contractor will keep in force all required insurance and/or bond until the contract is terminated or expires.
- 12.6** Contractor shall submit renewal certificates as appropriate during the term of the contract.
- 12.7** The contractor shall be prepared to provide evidence of required insurance upon request by MDES at any point during the contract period and should consult with legal counsel regarding its obligations.
- 12.8** Contractor shall instruct the insurers to provide MDES thirty (30) days advance notice of any insurance cancellation.
- 12.9** Contractor shall ensure that should any of the above described policies be cancelled before the expiration date thereof, or if there is a material change, potential exhaustion of aggregate limits or intent not to renew insurance and/or bond coverage(s), that written notice will be delivered to the Agency Chief Procurement Officer.
- 12.10** There shall be no cancellation, material change, potential exhaustion of aggregate limits or non-renewal of insurance and/or bond coverage(s) to Agency. Any failure to comply with the reporting provisions of this clause shall constitute a material breach of Contract and shall be grounds for immediate termination of this Contract by MDES.

Section 13 – Bid Opening

Bid opening will be open to the public; however, this will include opening, reading, and listing the name of each bidder and the bid price of each bid only. No discussions will be entered into with any bidder as to the quality or provisions of the specifications and no award will be made either stated or implied at the bid opening.

Section 14 – Award Notification

Award(s) for this procurement will be posted on the Mississippi Contract/Procurement Opportunity Search Portal website and the agency website at <http://www.mdes.ms.gov>. Bidders will be notified via e-mail of the awards.

Section 15 – Procurement Methodology

15.1 Restrictions on Communications with Agency and Agency Staff

At no time shall any bidder or its personnel contact, or attempt to contact, any agency staff regarding this IFB except the contact person as set forth and in the manner prescribed in Section 3.

15.2 Bidder Investigations

Before submitting a bid, each bidder shall make all investigations and examinations necessary to ascertain all site conditions and requirements affecting the full performance of the contract and to verify any representations made by the agency upon which the bidder will rely. If the bidder receives an award as a result of its bid submission, failure to have made such investigations and examinations will in no way relieve the bidder from its obligation to comply in every detail with all provisions and requirements of the contract documents, nor will a plea of ignorance of such conditions and requirements be accepted as a basis for any claim whatsoever for additional compensation.

15.3 Expenses Incurred in Preparing Bid

The agency accepts no responsibility for any expense incurred by any bidder in the preparation and presentation of a bid. Such expenses shall be borne exclusively by the bidder.

15.4 Independent Price Determination

By submitting a bid, the bidder certifies that the prices submitted in response to the solicitation have been arrived at independently and without, for the purpose of restricting competition, any consultation, communication, or agreement with any other bidder or competitor relating to those prices, the intention to submit a bid, or the methods or factors used to calculate the prices bid. The prices quoted shall be inclusive of, but not limited to the following all required labor; all required equipment/material; all required insurance, bond, or other surety; all required overhead; all required profit; all required vehicles; all required fuel and mileage; all required labor and supervision; all required training; all required business and professional licenses, certifications, fees, or permits; and, any and all other costs. All pricing should include all associated costs with no additional or hidden fees.

15.5 Rejection of Bids

A bid response that includes terms and conditions that do not conform to the terms and conditions in the IFB document is subject to rejection as non-responsive. Further, submission of a bid form that is not complete and/or signed is subject to rejection as non-responsive. The agency reserves the right to permit the bidder to withdraw nonconforming terms and conditions from its bid response prior to a determination by the agency staff of non-responsiveness based on the submission of nonconforming terms and conditions. Furthermore, if a bidder's price is substantially higher than those of other bidders, meaning those in excess of a twenty-five percent (25%) differential, the bidder's price will be deemed non-responsive.

15.6 Withdrawal of Bids

If the price bid is substantially lower than those of other bidders, a mistake may have been made. A bidder may withdraw its bid from consideration if certain conditions are met:

- (1) The bid is submitted in good faith;
- (2) The price bid is substantially lower than those of other bidders because of a mistake;
- (3) The mistake is a clerical error, not an error of judgment; and,
- (4) Objective evidence drawn from original work papers, documents, and other materials used in the preparation of the bid demonstrates clearly that the mistake was an unintentional error in arithmetic or an unintentional omission of a quantity of labor or material.

To withdraw a bid that includes a clerical error after bid opening, the bidder must give notice in writing to the agency of claim of right to withdraw a bid. Within two (2) business days after the bid opening, the bidder requesting withdrawal must provide to the agency all original work papers, documents, and other materials used in the preparation of the bid.

A bidder may also withdraw a bid, prior to the time set for the opening of bids, by simply making a request in writing to the agency. No explanation is required.

No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work for the person to whom the contract is awarded, or otherwise benefit from the contract.

No partial withdrawals of a bid are permitted after the time and date set for the bid opening; only complete withdrawals are permitted.

15.7 Post-Award Vendor Debriefing

A bidder, successful or unsuccessful, may request a post-award vendor debriefing, in writing, by U.S. mail or electronic submission. The written request must be received by the Agency within three (3) business days of notification of the contract award. A post-award vendor debriefing is a meeting and not a hearing; therefore, legal representation is not required. A debriefing typically occurs within three (3) business days of receipt of the request. If a bidder prefers to have legal representation present, the bidder must notify the Agency in writing and identify its attorney by name, address, and telephone number. The agency will schedule and/or suspend and reschedule the meeting at a time when a Representative of the Office of the Mississippi Attorney General can be present.

For additional information regarding Post-Award Vendor Debriefing, as well as the information that may be provided and excluded, please see Section 7-113 through 7-113.07, Post-Award Vendor Debriefing, of the *PPRB OPSCR Rules and Regulations* as updated and replaced by PPRB.

15.8 Protests

Any actual or prospective bidder who is aggrieved in connection with this solicitation or the outcome of this IFB may file a protest. The protest shall be submitted within seven (7) calendar days of notification of the contract award or on or before April 7, 2023, at 5:00 PM CDT in writing after such aggrieved person or entity knows or should have known of the facts giving rise thereto. The written protest letter shall contain an explanation of the specific basis for the protest. All protests must be in writing, dated, signed by the bidder or an individual authorized to sign contracts on behalf of the protesting bidder, and contain a statement of the reason(s) for protest, citing the law(s), rule(s) and regulation(s) or procedure(s) on which the protest is based. The protesting bidder must provide facts and evidence to support the protest. A protest is considered filed when received by the Director of Procurement via either U.S. mail, postage prepaid, or by personal delivery. Protests filed after April 7, 2023, at 5:00 PM CDT will not be considered.

Section 16 – Required Contract Terms and Conditions

Any contract entered into with the Contracting Agency pursuant to this IFB shall have the required clauses found in Attachment G and those required by the *PPRB OPSCR Rules and Regulations* as updated and replaced by PPRB. The agency discourages exceptions from these required clauses. Such exceptions may cause a bid to be rejected as non-responsive. Bids which condition the bid based upon the State accepting other terms and conditions not found in the IFB, or which take exception to the State's terms and conditions, may be found non-responsive, and no further consideration of the bid will be given.

Section 17 – Optional Contract Terms and Conditions

Any contract entered into with the Contracting Agency pursuant this IFB may have, at the discretion of the Contracting Agency, the optional clauses found in Attachment H and those within the *PPRB OPSCR Rules and Regulations* as updated and replaced by PPRB. The agency discourages exceptions from these optional clauses. Such exceptions may cause a bid to be rejected as non-responsive. Bids which condition the bid based upon the State accepting other terms and conditions not found in the IFB, or which take exception to the State's terms and conditions, may be found non-responsive, and no further consideration of the bid will be given.

Section 18 – Agency Website

3. Availability of Funds: It is expressly understood and agreed that the obligation of the Agency to proceed under this agreement is conditioned upon the appropriation of funds by the Mississippi State Legislature and the receipt of state and/or federal funds. If the funds anticipated for the continuing fulfillment of the agreement are, at any time, not forthcoming or insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds or the discontinuance or material alteration of the program under which funds were provided or if funds are not otherwise available to the Agency, the Agency shall have the right upon ten (10) working days written notice to Contractor, to terminate this agreement without damage, penalty, cost or expenses to the Agency of any kind whatsoever. Any such order shall be identified specifically as a stop work order issued pursuant to this clause. Upon receipt of such an order, Contractor shall forthwith comply with its terms and take all reasonable steps to minimize the occurrence of costs allocable to the work covered by the order during the period of work stoppage. Before the stop work order expires, or within any further period to which the parties shall have agreed, the Chief Procurement Officer shall either:

The Agency Head or designee shall give written notice of the termination to Contractor specifying the part of the contract terminated and when termination becomes effective.
- b. *Contractor's Obligations.* Contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination Contractor will stop work to the extent specified. Contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. Contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Agency Head or designee may direct Contractor to assign

Contractor's right, title, and interest under terminated orders or subcontracts to the State. Contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

14. Termination for Default:

- a. *Default.* If Contractor refuses or fails to perform any of the provisions of this contract with such diligence as will ensure its completion within the time specified in this contract or any extension thereof, or otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this contract, the Agency Head or designee may notify Contractor in writing of the delay or nonperformance and if not cured in ten (10) days or any longer time specified in writing by the Agency Head or designee, such officer may terminate Contractor's right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Agency Head or designee may procure similar supplies or services in a manner and upon terms deemed appropriate by the Agency Head or designee. Contractor shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.

- c. *Compensation.* Payment for completed services delivered and accepted by the State shall be at the contract price. The State may withhold from amounts due Contractor such sums as the Agency Head or designee deems to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders and to reimburse the State for the excess costs incurred in procuring similar goods and services.
- d. *Excuse for Nonperformance or Delayed Performance.* Except with respect to defaults of subcontractors, Contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by Contractor to make progress in the prosecution of the work hereunder which endangers such performance) if Contractor has notified the Agency Head or designee within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, Contractor shall not be deemed to be in default, unless the services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit Contractor to meet the contract requirements. Upon request of Contractor, the Agency Head or designee shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, Contractor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of the State under the clause entitled (in fixed-price contracts, "Termination for Convenience," in cost-reimbursement contracts,

“Termination”). (As used in this Paragraph of this clause, the term “subcontractor” means subcontractor at any tier).

- e. *Erroneous Termination for Default.* If, after notice of termination of Contractor’s right to proceed under the provisions of this clause, it is determined for any reason that the contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (d) (Excuse for Nonperformance or Delayed Performance) of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the State, be the same as if the notice of termination had been issued pursuant to such clause.
 - f. *Additional Rights and Remedies.* The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.
15. Termination Upon Bankruptcy: This contract may be terminated in whole or in part by Agency upon written notice to Contractor, if Contractor should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by Contractor of an assignment for the benefit of its creditors. In the event of such termination, Contractor shall be entitled to recover just and equitable compensation for satisfactory work performed under this contract, but in no case shall said compensation exceed the total contract price.
16. Trade Secrets, Commercial and Financial Information: It is expressly understood that Mississippi law requires that the provisions of this contract which contain the commodities purchased or the personal or professional services provided, the price to be paid, and the term of the contract shall not be deemed to be a trade secret or confidential commercial or financial information and shall be available for examination, copying, or reproduction.
17. Transparency: This contract, including any accompanying exhibits, attachments, and appendices, is subject to the “Mississippi Public Records Act of 1983,” and its exceptions. See Mississippi Code Annotated §§ 25-61-1 *et seq.* and Mississippi Code Annotated § 79-23-1. In addition, this contract is subject to the provisions of the Mississippi Accountability and Transparency Act of 2008. Mississippi Code Annotated §§ 27-104-151 *et seq.*. OPTIONAL CLAUSES FOR USE IN SERVICE CONTRACTS RESULTING FROM THIS IFB

1. Anti-assignment/Subcontracting: Contractor acknowledges that it was selected by the State to perform the services required hereunder based, in part, upon Contractor's special skills and expertise. Contractor shall not assign, subcontract, or otherwise transfer this agreement, in whole or in part, without the prior written consent of the State, which the State may, in its sole discretion, approve or deny without reason. Any attempted assignment or transfer of its obligations without such consent shall be null and void. No such approval by the State of any subcontract shall be deemed in any way to provide for the incurrence of any obligation of the State in addition to the total fixed price agreed upon in this agreement. Subcontracts shall be subject to the terms and conditions of this agreement and to any conditions of approval that the State may deem necessary. Subject to the foregoing, this agreement shall be binding upon the respective successors and assigns of the parties.
2. Antitrust: By entering into a contract, Contractor conveys, sells, assigns, and transfers to the Agency all rights, titles, and interest it may now have, or hereafter acquire, under the antitrust laws of the United States and the State that relate to the particular goods or services purchased or acquired by the Agency under said contract.
3. Attorney's Fees and Expenses: Subject to other terms and conditions of this agreement, in the event Contractor defaults in any obligations under this agreement, Contractor shall pay to the State all costs and expenses (including, without limitation, investigative fees, court costs, and attorney's fees) incurred by the State in enforcing this agreement or otherwise reasonably related thereto. Contractor agrees that under no circumstances shall the customer be obligated to pay any attorney's fees or costs of legal action to Contractor.
4. Authority to Contract: Contractor warrants: (a) that it is a validly organized business with valid authority to enter into this agreement; (b) that it is qualified to do business and in good standing in the State of Mississippi; (c) that entry into and performance under this agreement is not restricted or prohibited by any loan, security, financing, contractual, or other agreement of any kind; and, (d) notwithstanding any other provision of this agreement to the contrary, that there are no existing legal proceedings or prospective legal proceedings, either voluntary or otherwise, which may adversely affect its ability to perform its obligations under this agreement.
5. Change in Scope of Work: The Agency may order changes in the work consisting of additions, deletions, or other revisions within the general scope of the contract. No claims may be made by Contractor that the scope of the project or of Contractor's services has been changed, requiring changes to the amount of compensation to Contractor or other adjustments to the contract, unless such changes or adjustments have been made by written amendment to the contract signed by the Agency and Contractor.

If Contractor believes that any particular work is not within the scope of the project, is a material change, or will otherwise require more compensation to Contractor, Contractor must immediately notify the Agency in writing of this belief. If the Agency believes that the particular work is within the scope of the contract as written, Contractor will be ordered to and shall continue with the work as changed and at the cost stated for the work within the contract.

6. Claims Based on a Procurement Officer's Actions or Omissions:

a. *Notice of Claim.* If any action or omission on the part of a Chief Procurement Officer or designee of such officer requiring performance changes within the scope of the contract constitutes the basis for a claim by Contractor for additional compensation, damages, or an extension of time for completion, Contractor shall continue with performance of the contract in compliance with the directions or orders of such officials, but by so doing, Contractor shall not be deemed to have prejudiced any claim for additional compensation, damages, or an extension of time for completion; provided:

- i. Contractor shall have given written notice to the Chief Procurement Officer or designee of such officer:
 - (1) prior to the commencement of the work involved, if at that time Contractor knows of the occurrence of such action or omission;
 - (2) within 30 days after Contractor knows of the occurrence of such action or omission, if Contractor did not have such knowledge prior to the commencement of the work;
 - or,
 - (3) within such further time as may be allowed by the Chief Procurement Officer in writing.

This notice shall state that Contractor regards the act or omission as a reason which may entitle Contractor to additional compensation, damages, or an extension of time. The Chief Procurement Officer or designee of such officer, upon receipt of such notice, may rescind such action, remedy such omission, or take such other steps as may be deemed advisable in the discretion of the Chief Procurement Officer or designee of such officer;

- ii. The notice required by subparagraph (a) of this paragraph describes, as clearly as practicable at the time, the reasons why Contractor believes that additional compensation, damages, or an extension of time may be remedies to which Contractor is entitled; and,
- iii. Contractor maintains and, upon request, makes available to the Chief Procurement Officer within a reasonable time, detailed records to the extent practicable, of the claimed additional costs or basis for an extension of time in connection with such changes.

b. *Limitation of Clause.* Nothing contained herein shall excuse Contractor from compliance with any rules of law precluding state officers and Contractors from acting in collusion or bad faith in issuing or performing change orders which are clearly not within the scope of the contract.

c. *Adjustment of Price.* Any adjustment in the contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment clause of this contract.

7. Information Designated by Contractor as Confidential: Any disclosure of those materials, documents, data, and other information which Contractor has designated in writing as

proprietary and confidential shall be subject to the provisions of Mississippi Code Annotated §§ 25-61-9 and 79-23-1. As provided in the contract, the personal or professional services to be provided, the price to be paid, and the term of the contract shall not be deemed to be a trade secret, or confidential commercial or financial information.

Any liability resulting from the wrongful disclosure of confidential information on the part of Contractor or its subcontractor shall rest with Contractor. Disclosure of any confidential information by Contractor or its subcontractor without the express written approval of the Agency shall result in the immediate termination of this agreement.

8. Confidentiality: Notwithstanding any provision to the contrary contained herein, it is recognized that Agency is a public agency of the State of Mississippi and is subject to the Mississippi Public Records Act. Mississippi Code Annotated §§ 25-61-1 *et seq.*. If a public records request is made for any information provided to Agency pursuant to the agreement and designated by the Contractor in writing as trade secrets or other proprietary confidential information, Agency shall follow the provisions of Mississippi Code Annotated §§ 25-61-9 and 79-23-1 before disclosing such information. The Agency shall not be liable to the Contractor for disclosure of information required by court order or required by law.
9. Contractor Personnel: The Agency shall, throughout the life of the contract, have the right of reasonable rejection and approval of staff or subcontractors assigned to the work by Contractor. If the Agency reasonably rejects staff or subcontractors, Contractor must provide replacement staff or subcontractors satisfactory to the Agency in a timely manner and at no additional cost to the Agency. The day-to-day supervision and control of Contractor's employees and subcontractors is the sole responsibility of Contractor.
10. Copyrights: Contractor agrees that Agency shall determine the disposition of the title to and the rights under any copyright by Contractor or employees on copyrightable material first produced or composed under this agreement. Further, Contractor hereby grants to Agency a royalty-free, nonexclusive, irrevocable license to reproduce, translate, publish, use and dispose of, and to authorize others to do so, all copyrighted (or copyrightable) work not first produced or composed by Contractor in the performance of this agreement, but which is incorporated in the material furnished under the agreement. This grant is provided that such license shall be only to the extent Contractor now has, or prior to the completion of full final settlements of agreement may acquire, the right to grant such license without becoming liable to pay compensation to others solely because of such grant.
11. Debarment and Suspension: Contractor certifies to the best of its knowledge and belief, that it:
 - a. is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transaction by any federal department or agency or any political subdivision or agency of the State of Mississippi;
 - b. has not, within a three year period preceding this proposal or bid, been convicted of or had a civil judgment rendered against it for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction;
 - c. has not, within a three year period preceding this proposal or bid, been convicted of or had

- a civil judgment rendered against it for a violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
- d. is not presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state or local) with commission of any of these offenses enumerated in paragraphs two (b) and (c) of this certification; and,
 - e. has not, within a three year period preceding this proposal or bid, had one or more public transactions (federal, state, or local) terminated for cause or default.
12. Disclosure of Confidential Information: In the event that either party to this agreement receives notice that a third party requests divulgence of confidential or otherwise protected information and/or has served upon it a subpoena or other validly issued administrative or judicial process ordering divulgence of confidential or otherwise protected information that party shall promptly inform the other party and thereafter respond in conformity with such subpoena to the extent mandated by law. This section shall survive the termination or completion of this agreement. The parties agree that this section is subject to and superseded by Mississippi Code Annotated §§ 25-61-1 *et seq.*
13. Exceptions to Confidential Information: Contractor and the State shall not be obligated to treat as confidential and proprietary any information disclosed by the other party (“disclosing party”) which:
- a. is rightfully known to the recipient prior to negotiations leading to this agreement, other than information obtained in confidence under prior engagements;
 - b. is generally known or easily ascertainable by nonparties of ordinary skill in the business of the customer;
 - c. is released by the disclosing party to any other person, firm, or entity (including governmental agencies or bureaus) without restriction;
 - d. is independently developed by the recipient without any reliance on confidential information;
 - e. is or later becomes part of the public domain or may be lawfully obtained by the State or Contractor from any nonparty; or,
 - f. is disclosed with the disclosing party’s prior written consent.
14. Errors in Extension: If the unit price and the extension price are at variance, the unit price shall prevail.
15. Failure to Deliver: In the event of failure of Contractor to deliver services in accordance with the contract terms and conditions, the Agency, after due oral or written notice, may procure the services from other sources and hold Contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies that the Agency may have.
16. Failure to Enforce: Failure by the Agency at any time to enforce the provisions of the contract shall not be construed as a waiver of any such provisions. Such failure to enforce shall not affect the validity of the contract or any part thereof or the right of the Agency to enforce any provision at any time in accordance with its terms.

17. Final Payment: Upon satisfactory completion of the work performed under this contract, as a condition before final payment under this contract, or as a termination settlement under this contract, Contractor shall execute and deliver to the Agency a release of all claims against the State arising under, or by virtue of, the contract, except claims which are specifically exempted by Contractor to be set forth therein. Unless otherwise provided in this contract, by state law, or otherwise expressly agreed to by the parties in this contract, final payment under the contract or settlement upon termination of this contract shall not constitute waiver of the State's claims against Contractor under this contract.
18. Force Majeure: Each party shall be excused from performance for any period and to the extent that it is prevented from performing any obligation or service, in whole or in part, as a result of causes beyond the reasonable control and without the fault or negligence of such party and/or its subcontractors. Such acts shall include without limitation acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, earthquakes, floods, or other natural disasters ("force majeure events"). When such a cause arises, Contractor shall notify the State immediately in writing of the cause of its inability to perform, how it affects its performance, and the anticipated duration of the inability to perform. Delays in delivery or in meeting completion dates due to force majeure events shall automatically extend such dates for a period equal to the duration of the delay caused by such events, unless the State determines it to be in its best interest to terminate the agreement.
19. HIPAA Compliance: Contractor agrees to comply with the "Administrative Simplification" provisions of the Health Insurance Portability and Accountability Act of 1996, including electronic data interchange, code sets, identifiers, security, and privacy provisions, as may be applicable to the services under this contract.
20. Indemnification: To the fullest extent allowed by law, Contractor shall indemnify, defend, save and hold harmless, protect, and exonerate the agency, its commissioners, board members, officers, employees, agents, and representatives, and the State of Mississippi from and against all claims, demands, liabilities, suits, actions, damages, losses, and costs of every kind and nature whatsoever including, without limitation, court costs, investigative fees and expenses, and attorney's fees, arising out of or caused by Contractor and/or its partners, principals, agents, employees and/or subcontractors in the performance of or failure to perform this agreement.
