NOTICE: The predecessor to this publication is Covered Employment and Wages. With the 2022 data, it changed to Census of Employment and Wages because it now includes Federal Government data in all tables combined with employment covered under the Mississippi Employment Security Law in all tables.

NOTE: Effective with this publication, the counties included in two Metropolitan Statistical Areas have changed. Jackson MSA now includes Holmes and Scott counties. Gulfport-Biloxi-Pascagoula MSA now includes Stone County, and the name has changed to Gulfport-Biloxi MSA. The MSA data has been updated to reflect these changes. The changes are due to the Bureau of Labor Statistics updating the areas to reflect delineations based on the 2020 Census, as published in OMB Bulletin No. 23-01.
